Abstract

here is the abstarct

Acknowledgements

it is acknowledgments

List of Abbreviations

AI : Artificial Intelligence

API : Application Program Interface

Contents

Abstract	i
Acknowledgements	ii
1 Introduction	1
1.1 General View	2
2 state of Art	3
A Coding	6
B Manual Reference	7
Refrences	8

List of Figures

2.1	google	4
2.2	search engines	5

List of Tables

1.1	Nonlinear Model Results	2
-----	-----------------------------------	---

Chapter 1

Introduction

This is the first Chapter

1.1 General View

here you write the first Section of your Introduction (المقدمة) .

This is the Exmaple how to write an Arabic Paragraph .

هنا تكتب المقدمة للتقرير

This is the Example how to Insert Hyper Link Here's a link to محرك بحث قوقل.

This is the Example how to Creat a Table in Latex

1st rwo - 1s col	الصف الأول - العمود الثاني	1st row - 3rd col
2nd rwo - 1s col	الصف الثاني - العمود الثاني	2nd row - 3rd col
3rd rwo - 1s col	الصف الثالث العمود الثاني	3rd row - 3rd col

Table 1.1: Nonlinear Model Results

Chapter 2

state of Art

This is the Example how to refer to a certain table in the report hello , referring to Table 1.1

I have used many references in preparing my report , for more details , you can see these [1, 2]

This is Example how to insert Program Code in the Report

```
1  /* this is a simple Java program */
2  class Example {
3      // your program begins with a call to main()
4      public static void main(String args []) {
5          System.out.println("this is a simple Java program");
6      }
7  }
```

Program 2.1: The Program from a file

```
1  /* this is a simple Java program */
2  class Example {
3      // your program begins with a call to main()
4      public static void main(String args []) {
5          System.out.println("this is a simple Java program");
6      }
7  }
```

Program 2.2: The Program Written in Latex

This is Example how to insert a figure in the report

Figure 2.1: google

Figure 2.2: search engines

This is the example how to insert Enumerating (Arabic Numbers)

1. hello
2. welcome

This is the example how to insert Enumerating (Roman)

Topic I: Item one

Topic II: Item two

Topic III: Item three

This is example how to insert Sub-figures in the report

Appendix A

Coding

this is the first appendix

Appendix B

Manual Reference

this is the second appendix
